

# Download Battle Of The Planets 7

Battle of the Planets is an American adaptation of the Japanese anime series Science Ninja Team Gatchaman (1972). Of the 105 original Gatchaman episodes, 85 were used in the Battle of the Planets adaptation, produced by Sandy Frank Entertainment. Battle of the Planets episodes are listed below in their intended viewing order. Since most BotP animation came from Science Ninja Team Gatchaman, the numbers in parentheses to the right are the comparable episode numbers. TV Theme music and songs from 32,374 different television shows. Listen to them all in MP3 format. Unknown to the greater Imperium at large, Armageddon was in fact originally the world of Ullanor, made famous by the Ullanor Crusade during the time of the Emperor. 1,500 years after the Horus Heresy during the War of the Beast, Ullanor became the capital world of The Beast and was thought destroyed by the Mechanicum.
