Yahoo Lifestyle is your source for style, beauty, and wellness, including health, inspiring stories, and the latest fashion trends. There is SO Little Understanding. While I cannot speak from their perspective, I often wonder if trauma parents today may feel in any way similarly to the way parents of children on the autism spectrum felt a decade or so ago. If we surgically amputate the eyelids or fingernails, we will face the repercussions of making an organ that was designed to be internal, external. Hi Readers — Mothers bringing their older sons into the ladies room seems to be more common these days, unless maybe I'm just more aware of it because of this blog and my own take on things.
