

Download British Invasion : How The Beatles And Other Uk Bands Conquered America

He is the founding editor of Mersey Beat, the music paper that helped launch the Beatles music career, and the author of The Beatles Who's Who, The Best Years of the Beatles, and The Paul McCartney Encyclopedia. He has appeared on Good Morning America and received the Gold award from the British Academy of Songwriters, Composers, and Authors. He lives in Liverpool, England. The first book of its kind to look in depth at the phenomenon of the British Invasion, it also covers all the bands subsequent to the Beatles that have made it big in the States. While much has been made of the influence American rock'n'roll had on UK bands, until now little has been said on the way British music influenced American culture.
