

Download Classic Hand Tools And The Handplane Book

LATEST NEWS... We have set up a brand new Plane Makers Gallery on Handplane Central. The purpose of this gallery is to highlight some of the wonderful work that has been done by contemporary plane makers from around the world. Typically a woodworking shop starts in a corner of the garage or basement with a few tools. Over time you develop new skills, add tools to take on new projects, and expand the shop as you acquire a greater interest (or obsession) with woodworking.
