Coming of Age at Ninety: A Book for All Who Are Growing Older [Gerald Speedy] on Amazon.com. *FREE* shipping on qualifying offers. Book by Speedy, GeraldInspiring and heartwarming, Dumplin' is the kind of coming-of-age story all young girls get to experience, because, like the main character herself, everyone feels a little unsure sometimes. But ...In the meantime, there are many other diverse, beautiful books that capture the horror, tragedy, and transformation that so often accompanies the coming of age. Coming of age novels don't just ...Old age is perplexing to imagine in part because the definition of it is notoriously unstable. As people age, they tend to move the goalposts that mark out major life stages.
