Welcome to Prushka Fast Debt Recovery Established in 1976, Prushka Fast Debt Recovery collects debts for more businesses than any other agency in Australia. One of the first question we are asked, at Guardian Credit Services, is “how does it work if there are no debt collection fees?” The answer is simple, the iCollect debt collection software program allows you to access our debt collection letters. 25 years experience in debt collection and recovery. Experts in Court order enforcement litigation. Specialists in tenancy debt. We only charge commission upon a successful recovery. Jennings Debt Recovery Solicitors specialise exclusively in working to help businesses and commercial organisations get paid quicker. If you have commercial invoices that are not getting paid on time (or not getting paid at all) then we can help.
