Read 128 reviews from the world's largest community for readers. His whole life is dominated by thoughts of her return, and what then will happen. In his role as Emperor residing in the poor countryside, he can challenge the area's social hierarchies: wearing his imperial regalia, he sits at the front of the church, takes place at the head table at parties and tries to socialize with local landlords. This book (hardcover) is part of the TREDITION CLASSICS. It contains classical literature works from over two thousand years. Most of these titles hav
