

# Download Five Faces Of Modernity

Modernity, a topic in the humanities and social sciences, is both a historical period (the modern era), as well as the ensemble of particular socio-cultural norms, attitudes and practices that arose in the wake of the Renaissance—in the "Age of Reason" of 17th-century thought and the 18th-century "Enlightenment". Five Points (or The Five Points) was a 19th-century neighborhood in Lower Manhattan, New York City. The neighborhood was generally defined as being bound by Centre Street to the west, the Bowery to the east, Canal Street to the north, and Park Row to the south. History matters. The study of history prepares students to live thoughtfully, to work in a wide variety of professions, and to participate as national and global citizens.
