

Download Inquizitive Lap Books : How Many Altogether

Over 7 million students use IXL! Hear their stories. Research proves IXL's effectiveness. Studies that examined more than 49,000 schools show that IXL students achieve higher test scores in math and language arts. When I got started with the InQUIZitive series, I had no idea if people would be interested in a trivia quiz book in this format. Today, after multiple wonderful reviews and numerous mails from readers, I am convinced people enjoy this style of quizzing.
