CASE STUDY RESEARCH: A METHODOLOGY FOR NURSING.
Camille Cronin. This chapter presents a personal perspective on using case study research for both novice and prospective nurse researchers. *IJSRP Research Journal* Volume 8, Issue 12, December 2018 Edition. Table of content with research title, author name and abstract of research paper.

The social science disciplines are branches of knowledge taught and researched at the college or university level. Social science disciplines are defined and recognized by the academic journals in which research is published, and the learned social science societies and academic departments or faculties to which their practitioners belong.
