Prince2, ITIL, APM, MSP, BCS, ISEB, Microsoft courses from Focus on Training. Book 15,000 accredited courses in 100 locations. Focus - the Project Management and IT training specialist. The AM activities may be classified relatively to organizational hierarchical management levels. Organizational management levels can be defined according to the planning horizon as strategic, aggregate or operational (Anthony et al., 1989, Anthony and Govindarajan, 1995). This paper applies a value-based management framework to critically review empirical research in managerial accounting. This framework enables us to place the exceptionally diverse set of managerial accounting studies from the past several decades into an integrated structure. We help clients achieve program impact by integrating strategic planning, performance monitoring, comprehensive evaluations and research into a continuous learning cycle.
