All Rights Reserved. Have a great year! If you didn't know that you never put a compass rose in water, it's time to let Tim and Moby give you the latitude and longitude of map reading. A Topographic Map includes contour lines drawn to represent changes in elevation. When you follow a path on a topographic map that crosses these contour lines, you will be either climbing or descending. Teach map skills with Flocabulary's educational rap song and activity. The song defines key terms like compass rose, legend and scale and gives examples of different kinds of maps.
