Nonfiction Text Features Poster: (Click on Get Worksheet below) What are text features? All types of publishing use graphic and organizational features to increase comprehension, separate content, and add visual interest to the text. These enhancements are particularly present in nonfiction works. Knowing how each of these features work helps students locate information quickly and better understand what they are reading. Nonfiction Text Feature Labels | TMF- 4-6 Freebies for ... Text features are to non-fiction what story elements are to fiction. Text features help the reader make sense of what they are reading and are the building blocks for text structure (see below). So what exactly are non-fiction text features? Nonfiction Text Features Bibliography A bibliography is located at the back of a book. It lists the sources that the author used to find the information to write that book.
